GOOD NEIGHBOR DAYS GIVES BACK

At a festival where neighbors can come together and enjoy a bite to eat before enjoying a night at the festival, we wanted to find a way to give back to our community! This year, 40% of the profits from the Good Neighbor Days Food Tent will be going back into the Community through Threads, Hope and Love and Washington Helps Its People (WHIP). Each group will be staffing the food tent during the festival for 20% of the profits. We hope you will take the time to visit the food tent during the festival and support these organizations!

TIMBUKTECH VOLUNTEER CHALLENGE

Have a group that loves to spend time volunteering together? Do we have the challenge for you! Get your organization together and volunteer for multiple shifts to make your group be the winner of our second annual Volunteer Challenge! All you have to do is specify which group you want your volunteer hours* to count towards, show up for your shift, and have fun while being a part of Good Neighbor Days. The winning organization of the Volunteer Challenge will be given a donation to the charity or organization of their choosing. *Sponsored by TimbukTech* (*Hours must be officially documented.)

JIMMY JOHN'S MEDALLION HUNT

The hunt starts at 11:30 a.m. on May 28th and runs until the Medallion is found! One clue per day will be posted at Jimmy John's in Washington at 11:30 a.m. The clue will also be posted on the Washington Good Neighbor Days Facebook Page at 2:30 p.m. each day. The Medallion will be found on non-residential property, within or contiguous to city boundaries or owned by a Washington public body. For more rules, visit washingtoncoc.com. Happy Hunting! *Sponsored by Jimmy John's Gourmet Sandwiches*
